(c) The Tenth Plan proposals which include continuing projects from Ninth Plan as well as new projects to be commenced during Tenth Plan are yet to be finalised. Both the schemes as mentioned in (b) above are continuing from Ninth Five Year Plan. The estimated outlays for these schemes of Tarapur Atomic Power Project Units-3&4 (2x500 MWe) and Kaiga Atomic Power Project Units-3&4 (2x220 MWe) in the Tenth Plan is Rs.7300 crore. The above is exclusive of the outlays rquired for the new schemes being included in the Tenth Plan proposals which will yield benefits beyond the Tenth Plan.

(d) Out of the total estimated outlay of Rs.7300 crore in the Tenth Plan for the above referred schemes of Tarapur Atomic Power Project Units-3&4 and Kaiga Atomic Power Project Units 3&4, an amount of about Rs. 3000 crore is being proposed to be met from the Government Budgetary Support in the form of equity and the remaining outlay from Internal and Extra Budgetary Resources (IEBR) of NPCIL.

Suspension of operation of Vashi Unit of DAE

468. SHRI RAJNATH SINGH 'SURYA': Will the PRIME MINISTER be pleased to state:

(a) whether an important unit of DAE at Vashi has been directed to suspend its operation;

(b) if so, the reasons therefor;

(c) whether responsibility in this lapse has been fixed; and

(d) by when it is expected to start again?

THE MINISTER OF STATE IN THE DEPARTMENT OF ATOMIC ENERGY AND SPACE (SHRIMATI VASUNDHARA RAJE): (a) Yes, Sir.

(b) The suspension of operation of the demonstration plant for radiation processing of spices at Vashi was due to some procedural lapses observed by the inspection team of Atomic Energy Regulatory Board (AERB) during their visit to the facility on 26 June, 2001.

(c) the procedural lapses were of a technical nature including the unsatisfactory performance of a component of an Audio-Alarm system, and not due to any human error. Adequate remedial measures have been taken to the satisfaction of the AERB inspection team.

(d) the plant has started functioning normally with effect from 17-7-2001.
